Nisga'a Moose Hunters

Nisga'a Lisims Government advises that the **Nisga'a moose allocation** will be **25 bull moose only**, no cows and no calves and the harvest will only occur from:

1 December 2013 to 15 January 2014

This is a result of the decline in the population.

Any Nisga'a hunters who plan to hunt for moose within the Nass Wildlife Area **must submit their names and hunting licence numbers** to the Nisga'a Fisheries and Wildlife office by **November 8, 2013 by 5:00pm**. If there are more than 25 names submitted then a draw will be made no later than **November 15, 2013** and hunters will be notified.
