## Ksi Lisims LNG Project – Nisga'a Nation Open Houses

April 2022

The Nisga'a Nation is pursuing the development of an LNG Project at Whiskey Bay (Wil Milit) known as Ksi Lisims LNG. With Covid restrictions gradually allowing for public gatherings, we are finally able to visit all of our Villages and Urban Locals for in-person Open Houses. Come and learn more about our project and provide feedback to our team.

**All Nisga'a Citizens are invited to attend!**
