

Energy for B.C.

Connect with Us

We Want to Hear from You.

Come to our Community Meeting.

For 56 years, Spectra Energy has been a proud part of communities across B.C. Now we're hosting our first Community Meeting for the villages of Gitlaxt'aamiks and Gitwinksihlkw to hear from you about our new natural gas project.

Come out to learn more about our Westcoast Connector Gas Transmission project, share ideas and ask industry experts questions.

We believe in listening to the public and addressing their concerns, so if you can't make it, we hope that you will connect with us in other ways.

Connect with us at: www.EnergyForBC.ca

Or call us at: 1 (855) 757 - 4755.

WEDNESDAY, OCTOBER 30, 2013 - GITLAXT'AAMIKS
