Nisga'a Fisheries Tag Recovery Program

With your help we can learn more about Nass salmon stocks.

This is a friendly reminder to all fishers that the annual computer generated draw for **seven (7) prizes of \$100.00** will be taking place on **Thursday, November 17, 2022 at 3:00 pm**. If you still have tags captured from the 2022 salmon season, **please return them by Wednesday, November 16, 2022** to the Nisga'a Fisheries and Wildlife Department office along with the following information for each tag:

- **Species**
- **Capture Date and Location**
- **External Tag Number**
- **Fisher Name, Telephone Number and E-mail Address**

Due to COVID-19 safety protocol, please e-mail Niva Percival at: nivap@niscгаа.net to arrange for an appointment to drop tags off **prior to the draw date** at the NFWD office. Office hours are: Monday to Friday, 9:00 am to 5:00 pm.

Thank you for your continued cooperation and support!
