16 hour opening Wednesday, Aug 10th 6:00 to 22:00

And

16 hour opening, Thursday, Aug 11th 6:00 to 22:00

**Participants are required to possess a valid
Nisga'a Fisheries Licence and IS Permit
All vessels must be Nisga'a owned.**

**The boundary for all marine IS openings is the DFO Salmon management Area 3-12 in front of
Gingolx**

Sockeye Salmon will be the target species for this fishery. Pink, Chum and Coho Salmon, will also be purchased. Fish will be refused if it does not meet the quality standards established in Nisga'a Fisheries Regulations 2002. **Fish will be purchased only if:**

**Bled immediately after removal from net, and
Placed immediately in slush after bleeding**

Any Steelhead or Chinook caught should be released if healthy, or otherwise taken as food and reported to a NFWD catch monitor.

Nisga'a Fisheries management has instructed DFO Enforcement and NLG-Compliance & Enforcement, to not permit, vessels on the fishing grounds that:

- are less than 24 feet in length
- do not have PFD's for each person on board,
- have no operational VHF marine radio

Any vessels not meeting one of these requirements will be sent to shore to remedy the lack of any of these essential safety or regulatory requirements before being allowed to continue participating in any marine IS fishery.

No maximum limit on Sockeye, Pink, Chum or Coho Salmon.

Permit Sales: Permits can be purchased at Nisga'a Fisheries office during regular business hours (9:00 am to 5:00 pm) Monday to Friday and at the Nisga'a Hall in Prince Rupert during their regular business hours (8:30 am to 4:30 pm), from Monday to Friday.
