## 2021 Halibut Licence & Quota Information- Applications to Lease

The Nisga'a Nation has two (2) licenses and quota available for lease. The licenses and quota will be governed and managed by the Nisga'a Nation.

### Current licenses

- 1) Halibut license (L265) with 0.001468908219% of TAC (7,609 lbs)
- 2) Shrimp by trawl license (S 237)

### Applications to lease

- 1) Submit a proposal and return to: Nisga'a Lisims Government by April 28<sup>th</sup>, 2021
- 2) Proposal must include vessel name, CFV#, DOT#, details for Vessel. Processing company you are fishing for.
- 3) We prefer a flat lease rate on price per pound, discuss with the Company you fish for
- 2) All applications must be completed in full with the required information. Incomplete applications will not be considered until the information is supplied.
- 3) Applications will be assessed against the Transport Canada video requirement, DFO require log book, access to bait and ice and ability to pay the license lease fee that is agreed upon
- 4) Before the license can be processed, additional information may be required by DFO
- 5) Once all the necessary documents are received, the license will be submitted to the Department of Fisheries, licensing Department for processing. DFO requires time for processing and if any information is missing, it will further delay processing.
- 6) The applicant must follow all conditions of the lease requirements

### Priority Criteria for Eligibility:

- a) Active Fisherman and skipper of a vessel
- b) Nisga'a citizen
- c) Skipper/crew meet regulatory and safety requirements (DFO, Transport Canada)
- d) Fisherman is in good standing and has demonstrated fiscal responsibility
