Hasagay’ ni dim k’ax ksi-magahl wilaa hihl goodiy’ as n’isim’

On behalf of Nisga’a Lisims Government and the Executive, I would like to take this time to extend our condolences to the grieving families within the Nisga’a Nation, our thoughts and prayers are with you at this time.

As you may know, March and April of 2017 turned out to be a great one for NLG staff and the Nisga’a People in moving forward together. Frontline workers put forth great effort to bring you the 2017 Youth & Elders Conference. This conference has given NLG an opportunity to work directly with the Nisga’a People and as a result, we now have an advantage and a clear direction to aim towards revitalization and restoration of the Nisga’a Language, Culture, and Traditional Practices. There is still a lot of work to do in this area. It is only with the help of all the Nisga’a People, we will make this happen.

As for the April event, Nisga’a Valley Health Authority partnered with NLG, NCFS, and many other entities to bring you the 2017 Family Conference. The frontline workers facilitated many modern and up to date workshops and presentations gathered from stats and great research. In doing so, they incorporated traditional and cultural practices right into health on a whole new level bringing forth their absolute best and will only continue to make deep impact for the People. True Saksgum Gandidils.

As you may have seen, there has been a lot of young Nisga’a ambassadors making headlines, traveling the world, representing colors in sports tournaments, and leading healthy lifestyles. Keep up the great work, train hard, we will continue to stand behind you in all that you do, and be sure to bring your story home to inspire the upcoming generations.

Si’aamhl wilsim!

The Nisga’a Village of Gitwinksihlkw/Nisga’a Pathways to Employment and New Relationship Trust teamed up to deliver this one day event to the citizens of the Nass valley in order for them to explore options of training. Work BC was in attendance and they were exploring options of employment with people who brought resumes. The event was a success and we are looking to make it an annual event.

Rochelle Moore, Employment Readiness Coordinator of Gitwinksihlkw Village Government says “we had more than 100 people come to the job and training fair and vendors included: Hecate straight, New Relationship Trust, Northwest community college(NWCC), Kitimat Valley Institute (KVI), Northwest training &Work BC, Skeena Technical School, Transformations, Nisga’a Employment Skills and Training (NEST), Castle Resources-mining exploration, Nisga’a Economic Development, Kleanza consulting, Tricorp, Terrace District Community Service Society (TDCSS), Kermode Friendship society, University of Northern British Columbia (UNBC), and Metis association.”

2017 Nisga’a Elders & Youth Forum ’Bridging the Generations’ a Huge Success

Panel and break out discussions were primarily focused on Nisga’a Language, Culture and History. The 2.5 day forum began with Chairperson – Council of Elders Sim’oogit Ni’isyuus, Willard Martin’s presentation of his Draft Strategic Plan for Reviving, Teaching and Sustaining the Nisga’a Language Culture and Traditional Practices.

Two breakout sessions took place where participants could entertain detailed discussions and ideas, suggestions and concerns were shared. First on ‘Why Nisga’a Language & Culture is Important’ and second a tribal breakout session where simigiat, sigidimhaanak’ and youth openly discussed Lip Wilaa Loom - Our way of life. 1 elder and 1 youth then reported back highlights from their respective groups.

Special presentations included ‘Taking Nisga’a Spirituality Abroad!’ by Nisga’a youth Brenna Doolan & Leilani Wright who provided an inspiring overview of their journey to Africa and their plans of re-visiting Africa in the near future. Dr. Amy Parent, also provided a well-received presentation, ‘Surviving & Thriving: Your Educational & Life Journey’ that was both motivating and inspiring for all in attendance.

Based on the grave concern on the potential of Nisga’a language, culture and customs becoming extinct – a Nisga’a Elders & Youth resolution was entertained that provided direction to the Chairperson for the Council of Elders to introduce the potential loss as an urgent matter at Wilp Si’ayuukhl Nisga’a (WSN) later this month.

In her closing remarks, President Eva Clayton who was in attendance for the duration of the forum said, “The Nisga’a language is the basis of our culture, and the land is the foundation of our culture.” She went on to conclude, “Without this, we have no identity.”

While Nisga’a athletes participating in the JR. All Native Basketball Tournament in Kelowna were invited for participation, introductions and a blessing during the forum, teams from Laxgalts’ap and Gitlaxt’aamiks were in attendance.

Approximately one hundred Nisga’a Elders registered each day, with the same amount of youth and adults.
