PUBLIC NOTICE

To: Citizens of the Nisga'a Nation
From: Nisga'a Fisheries and Wildlife Department (NFWD)
Date: May 20, 2021

In 2019 and 2020, Nisga'a Fisheries and Wildlife completed the Mountain Goat Survey of the Nass Wildlife Area to estimate the population. Previously, the last survey occurred 13 years prior, highlighting the need to update our Mountain Goat numbers. The results of the Survey show that the Mountain Goat population in the Nass Wildlife Area has declined significantly.

Therefore, Nisga'a Fisheries and Wildlife is conducting a Mountain Goat Study to investigate why the population is declining. To collect the best available information, we are inviting Nisga'a Citizens who wish to share knowledge of Mountain Goats in the Nass Wildlife Area to submit their names by:

Emailing:

Krystal Rancourt, Wildlife Biologist, krystalr@niscгаа.net

Nicole Morven, Fish and Wildlife Harvest Coordinator, nicolem@niscгаа.net

Or

By filling out the Google Form:

https://docs.google.com/forms/d/e/1FAIpQLSdLjaNAEZ_B5LwnP_ylj5NhdSnizAeHdRGIHkeKTEmSHg0Nng/viewform

Once the applicant pool is gathered, selected participants will be invited to share their perspectives. **Participants will be compensated 100\$ for their interview.** The deadline to submit your name is **June 25, 2021 at 5 pm.**

We thank everyone who expresses interest in the study. However, only participants selected will be contacted.
