## Nisga'a URN Housing & Renovation Grant Programs – FAQ

### 1. Can I apply for the Renovation Grant if I previously received an amount?

Yes, **you may apply again**, but only **up to the maximum combined total of \$25,000** in renovation-related grants. This includes any funding you may have received under:

- Nisga'a Urban Housing Grant Program
- Nisga'a Urban Housing Renovation Grant Program

Once you reach the \$25,000 limit, you are no longer eligible for additional renovation grants.

**Example:** If you have received the \$10,000.00 Nisga'a Urban Housing Grant, you can then apply for the remaining amount of \$15,000.00 to bring the combined total up to the maximum \$25,000.00

### 2. Do I qualify for the grant as a dual citizen?

The policies state that applicants must be **Nisga'a citizens living in Canada** and **not residing on Nisga'a Lands**. Dual citizenship is **not explicitly restricted**, so as long as you meet the other eligibility criteria (age, residency, employment, etc.), you may qualify.

If you're unsure, it's best to contact the Housing Department for clarification.

### 3. Can I apply for both a Housing Grant and a Renovation Grant?

No. You **cannot receive both**:

- If you have received a **Housing Grant**, you are **not eligible** for the **Renovation Grant**, and vice versa.

This is to ensure broader access to funding across the community.

#### 4. Can I apply for renovations on a home located on Nisga'a Lands?

No. Both the URN Housing and Renovation Grant Programs are **only for properties located outside of Nisga'a Lands**.

However, if you are seeking support for renovations **on Nisga'a Lands**, you can contact your **local Village Government Housing Department** for assistance.
