Temporary access changes at the NLG Main Office August 27, 2026 9AM- 5PM

Concrete work is being completed today at both main entrances of the building. As a result, anyone requiring accessible entry—including staff or Nisga'a citizens with mobility needs—will need to use the cafeteria entrance for the duration of the work.

Regular entrance access will resume August 28, 2026.

We apologize for the inconvenience.

Thank you for your cooperation.

NLG Operations Team
