BC Services Card App ID Verification

With a Verified BC Services Card you can access services like:

- Evacuee Registration and Assistance (ERA) to access emergency support services
- Health records including lab test results, medications, health visits and more.
- Federal Government Services
- My Account (income tax and benefit information at the Canada Revenue Agency).
- My Service Canada Account (access to federal programs and benefits).

For a full list of websites and apps that accept BC Services Card login, please visit

<https://id.gov.bc.ca/account/services>

Payment Methods: Debit and credit card payments are currently unavailable for Service BC transactions. Cash is currently the only accepted form of payment for Service BC transactions requiring payment. ICBC services, including BC Driver's Licence and BC Services Card photo services, are not affected.

Thank you for your patience and understanding.
